

Title: Czesław Słania Collection

Dates: [2000]

Physical Description: 21 binders.

Abstract: Collection of stamps and related material devoted to the work of the Polish/Swedish engraver Czesław Słania. The stamps are primarily from Sweden and Denmark, with some also from Greenland and the Faroe Islands. There are additional stamps that are not Słania's work but follow the history or themes presented in the write-ups.

The collection is housed in 21 binders and includes mint postage stamps, first day covers, postal stationery, brochures, articles and other collateral related to the subjects of each stamp. Additional commentary by collector included, handwritten in Danish.
